Dionisius Surya Jaya

Machine Learning Intern at MEDEVA

Malang Regency, East Java, Indonesia

Summary

I am an undergraduate Computer Science student at Brawijaya University with a strong passion for programming and software development. My goal is to become a professional programmer who not only writes clean and efficient code but also builds meaningful and impactful solutions. I am constantly seeking opportunities to learn new technologies, improve my skills, and contribute to real-world projects. You can explore some of my academic work and personal projects on my GitHub.

Experience

MEDEVA

Machine Learning Intern

January 2026 - May 2026 (5 months)

Malang

BPS Kota Malang

Data Analyst & Frontend Developer

September 2025 - November 2025 (3 months)

Malang

Coding Camp powered by DBS Foundation

Web Developer

February 2025 - June 2025 (5 months)

Malang

BIOS Filkom UB

Head of Division Consumption and health of ORSEN FILKOM 2024

August 2024 - November 2024 (4 months)

Malang, East Java, Indonesia

Assisted in managing meal distribution and health services, coordinated team tasks, liaised with vendors and medical teams, and ensured logistics met hygiene and safety standards. Enhanced leadership, coordination, and operational management skills.

Artropolis UB

Logistics Coordinator

September 2023 - November 2024 (1 year 3 months)

Malang, East Java, Indonesia

Supported coordination and logistics planning, managed equipment inventory and distribution, and collaborated with other divisions to ensure smooth event operations. Developed teamwork, logistics, and problem-solving skills.

MMD FILKOM UB 2024

2 months

Backend Developer and IT Support

July 2024 - August 2024 (2 months)

Ngasem, East Java, Indonesia

During the MMD FILKOM UB 2024 program, I served as a Backend Developer and IT Support. I was responsible for maintaining and optimizing the village website to ensure stable functionality and reliable performance. In addition, I developed a comprehensive digital village map using ArcGIS and QGIS, which supported improvements in administrative processes and public service delivery.

Event Coordinator of MMD Filkom UB 2024

July 2024 - August 2024 (2 months)

Ngasem, East Java, Indonesia

Planned and organized community events, coordinated with team and local authorities, and ensured smooth execution. Improved skills in event planning, teamwork, and community engagement.
